*** 30% Discount on lenses and options only available when a complete pair of glasses (frames, lenses and lens option) is purchased in the same transaction. Items purchased separately will be discounted at 15% off retail price.**

****Member will receive a 20% discount on those items purchased at participating Providers that are not specifically covered by this Discount design. The 20% discount may not be combined with any other discounts or promotional offers, and the discount does not apply to EyeMed Provider's professional services, or contact lenses. Retail prices may vary by location. Please note, all dependents are eligible for discounts with all discount plans.**

Limitations/ Exclusions:

- Discount plan must be presented at the time of Routine Eye Exam or Eyewear purchase.
- Discount is not available on those frames where the manufacturer prohibits a discount.
- Medical treatment of the eye, eyes, or supporting structures.
